**1:00 - 4:00 pm**

**\$25.00**

Learn **“Quilt as You Go”** technique, the method of putting your already quilted blocks together with award winning quilter Diana Trost. She will teach you how to attach your blocks using fabric strips. For your convenience, she will offer kits of four (4) finished blocks for **\$12.00** per kit which will be available at the time of class. Please let us know when you sign up if you will be bringing your own blocks or would like to buy them from Diana.

## SUPPLY LIST:

1. Sewing machine in good working order with a ¼" foot.
2. Foot to use for making decorative stitches.
3. Basic sewing supplies, especially straight pins.
4. Four (4) blocks or the blocks for the first 2 rows of a quilt. Preferably 8" blocks work well for class.
  - a. Blocks need to be layered with batting and backing and quilted.
  - b. Blocks need to be squared up.
  - c. For your first experience, it is best if the blocks do NOT have pieced points extending to the edge. Save those for later!
5. Fabric for piecing strips – fabric will be cut on the lengthwise grain (parallel to the selvage edge) so have a piece big enough. (The size of a fat quarter is more than enough.) Fabric for piecing strips is included in the purchased kits. Bring additional black thread.
6. Thread to match your strips and a hand needle.
7. Thread for decorative stitches on top strips (an optional procedure).

The class will be held at Powell United Methodist Church,  
825 East Olentangy St., Powell, OH 43065.
